### Report of Forest Fire Wardens

In the past year your local forest fire organization did a very fine job of pre-suppression and suppression of forest fires. Our early spring was very dry and with extra high winds and all our fires were during that period. We find that the general public is still very careless with matches and cigarettes.

In the "Keep America Green" program there is a story of two bad boys who cause most of our forest fires. The first one we call, "I don't care", he is the person that builds fires anywhere, never gets a permit to burn brush or has a safe place for his home incinerator. He is also very careless with matches and cigarettes. The other one is called, "I don't know any better", and the best way to describe him is a plain dunce. It is only with your help that these two bad actors are controlled. Their carelessness can be the cause of our pretty and valuable woodland to be destroyed by fire. Even your own home can be burned by them.

It is up to you and you alone to report these two characters to your local forest fire warden whenever you see them operating. To have our woodlands green and our mountain streams clear, your cooperation is needed by:

1. Seeing that your incinerator is tight and is sitting on clean ground.
2. Always clean a space about any open fire to prevent it from spreading.
3. Never burn in dry windy weather.
4. In all cases a written permit is required from your local fire warden.
5. Be sure that your matches, cigarettes and pipe ashes are out before discarding.

It is with your cooperation that this shameful waste of timber and money can be stopped.

## Minutes of 1951 District Meeting

---

School District Meeting was called to order by Moderator Clyde B. Foss at time and place specified in Warrant.

After reading of the Warrant by the Moderator, the following officers were elected for the coming year.

1 Moderator—Clyde B. Foss

2 Clerk—Horace L. Richardson

3 There being two contestants for the office of Member of the School Board, a written ballot was used with the following results: Ralph Mullen—83 votes; Maurice White—37 votes. Therefore Ralph Mullen was elected for a term of three years.

4 Treasurer—Ralph Goodwin

5 It was voted that the salaries of the School Board and Truant Officer remain the same as last year.

6 No reports were presented other than those printed in the Town Report, which were accepted.

7 Roger Larson and Donald Wright were elected auditors.

8 It was voted to accept the budget as printed in the Town Report.

9 To see if the District will vote to level an area behind the school for use as a playground, and raise and appropriate money for same. Motion by James Solomon to pass the article. Harold Martin explained that a complete job would cost in the vicinity of \$5,000. Vote in the negative. Motion by Stewart Lamprey and seconded, to raise and appropriate a sum not to exceed \$2,000 to level off an area for a playground at the rear of the school. After quite a lot of discussion, it was voted in the negative.

10 To see what sum the District will vote to raise and appropriate for School Lunch equipment. Motion by Roger Larson and seconded to appropriate the sum of \$400 for the school lunch equipment.

## TOWN OF MOULTONBORO

---

11 To see what action the District will take to complete the surfacing of the school driveways, and raise and appropriate money for this purpose. Motion by Donald Wright and seconded, to raise and appropriate the sum of \$850 for completion of the driveways.

12 To see what sum the District will vote to raise and appropriate for the purpose of cementing the school basement. Motion by Stewart Lamprey that the article be passed. Vote in the affirmative.

13 To see if the District will vote to raise and appropriate the sum of \$902.36 to pay the balance on the building fund. Motion by Charles Darling that the sum of \$902.36 be raised. Affirmative vote.

14 To transact any other business that may legally come before this meeting. The following motion was made by Donald Wright:

"I move that the School Board immediately petition our Town Representative to introduce a bill in the State Legislature to permit the Town of Moultonboro at their School District meeting to vote for candidates for School Officers by the Australian ballot."

Vote in the affirmative. Motion by Chester Davis that money to surface driveway be let out for bids. Vote in the affirmative. George Stewart thanked all members of the building committee and all those who have in any way contributed to the completion of the building. On motion of Mrs. Wilder, it was voted that the meeting give a rising vote of thanks to the building committee.

Motion to adjourn at 3:30.

Respectfully submitted,

HORACE L. RICHARDSON

Clerk

School District Warrant**

---

**To the Inhabitants of the School District in the Town of Moultonboro, qualified to vote in District affairs:**

You are hereby notified to meet at the Moultonboro Central School in said District on the 11th day of March 1952, at two o'clock in the afternoon to act upon the following subjects:

- 1 To choose a Moderator for the coming year.
- 2 To choose a Clerk for the ensuing year.
- 3 To choose a Member of the School Board for the ensuing three years.
- 4 To choose a Treasurer for the ensuing year.
- 5 To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
- 6 To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
- 7 To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.
- 8 To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

TOWN OF MOULTONBORO

---

- 9 To see if the district will vote to raise and appropriate the sum of \$650 to buy one hundred (100) folding metal chairs for the school auditorium. (By request)
- 10 To transact any other business that may legally come before this meeting.

Given under our hands at said Moultonboro this 20th day of February 1952.

Nervous System .....	2

Vision tests have been very nearly completed with the use of the Massachusetts Vision machine and the Snellen chart.

Very soon I hope to have the use of the Maico audiometer to check the hearing of the children.

The routine inspections, weighing and measuring were done the first of the school year.

On October 15th the Orthopedic Clinic was held at Wolfeboro. A few children were taken but I believe the Clinic on February 18th will be a large one judging from the above defects. I hope the parents will encourage the children to do their exercises daily.

### Report of Superintendent and Principal

---

Beginning September 1951, there have been several changes in personnel. Newcomers include Mr. Sheridan as principal, Mrs. Brown as school nurse, Miss Hodges as music supervisor, Mrs. Gillooly as hot lunch director, and Mr. Foss as custodian.

We have added a manual training period for our upper grades (5-8) which we feel will increase competency in the use of tools, foster interest in allied subjects, such as arithmetic, as well as to develop a more wholesome attitude toward school life in our upper grade boys. Parents have been most cooperative in lending tools.

We have managed to add several supplementary books and reference materials to our library, including a new set of Compton's Pictured Encyclopedia.

For our kitchen we have purchased a potato peeler which is a tremendous time-saver. Several other smaller purchases have been made. We are working gradually toward eliminating the need of borrowing equipment. We are still very grateful for the loan of various equipment from townspeople.

#### School Marks

A marking system is a plan for reporting to parents the work that children do in school. Teachers and other school officials differ in their opinions as to what kind of marking system is best, but we all agree that parents should have a clear understanding of how their children are succeeding in school.

The chief objection to the traditional plan of school marks is its emphasis on comparing one child with another. Whenever report cards are given out, the pupils hurry to look at each other's cards. "What did you get? I got an A!" is heard on the playground. The disappointment of the child who tried his best and only got an F is indeed hard to bear. On the other hand, the pupil who gets an A without half trying is apt to develop habits of getting by without effort.

## TOWN OF MOULTONBORO

---

In the primary grades, many schools have found that a visit from the parent to see the work that the child is doing, followed by a conference with the teacher, is a much more satisfactory plan than the use of a report card. Some schools are dispensing entirely with the traditional card, as well as the system of comparative marking in favor of the plan of personal conference (or possibly letters) between the teacher and the parent.

In Moultonboro, the plan this year involves parent-teacher conferences for all pupils in the first four grades, with the possibility that next year this plan may also be used in grade 5 or grades 5 and 6.

### **State-wide Supervision**

Occasionally it seems appropriate to explain in this report the New Hampshire state plan of school supervision. To many readers this is a familiar story, but others will find it new.

In New Hampshire all public schools are supervised by a superintendent who is chosen by the local school boards and employed by the State Board of Education. With the exception of the larger cities, the superintendent serves from two to eight school districts, which make up a "supervisory union." Moultonboro is one of six towns in the Ashland-Meredith supervisory union, others being, Holderness, Sandwich and Center Harbor.

The superintendent's salary is paid in part by the state and in part by the local districts. Other expenses of his office, including the salary of a secretary, are paid entirely by the six districts in the union. The amount to be assessed for these purposes is determined by a meeting of the union board (all six school boards meeting together) which is usually held in December. The total union budget voted for the year 1952-53 is \$8,641. This is apportioned among the six districts on the basis of school enrollment and adjusted valuation. Moultonboro's share for the year 1952-53 is 12.8 per cent of the total.

### **Teachers are Scarce**

Fifty years ago a young man who wanted to work his way through school could stay out for a term or two and teach school to earn money. School boards did not think too much about finding teachers who were well trained..... anyone who was strong in discipline would do. "Teachers are born, not made," was a common saying.

## TOWN OF MOULTONBORO

---

Today parents are not content to have an unqualified teacher for their children. To be a teacher, one must have either a college degree or some experience in teaching. The most crucial problem of public education today is that of providing our children with teachers who are well qualified. Not enough teachers graduate from our state teachers colleges each year to fill the positions that are open, and this shortage is nation-wide. New Hampshire loses each year 100 or more of its teachers to other states that offer better salaries.

Two of the best ways to halt this trend and to set about holding our good teachers in New Hampshire, as well as recruiting young people to enter the profession, are to pay adequate salaries based upon a definitely established salary schedule and to provide satisfactory conditions of employment. Therefore, the State Board of Education has suggested that local school boards act at once to develop a salary schedule or guide for their school system. Those school boards which have already developed and adopted salary schedules can testify to their value and improved morale-building results.

In many districts the school board has adopted a salary schedule which provides an increase of about \$100 a year for teachers who are doing satisfactory work. Under such a schedule, a beginning salary of \$2,400 for a teacher with a bachelor's degree is suggested. If similar schedules can be adopted throughout the state, more young people can be induced to enter the profession.

For the year 1951-52, the average salary paid to teachers in New Hampshire is \$2,940. The average in the Ashland-Meredith union is \$2,514., and that of the Moultonboro teachers is \$2,525.

Almon W. Bushnell, Superintendent

William E. Sheridan, Principal
